

WHITE CANE SAFETY DAY · OCTOBER 15

In Ohio, drivers must yield to a white cane.

Lions painted the first cane white in 1930 so a blind pedestrian could be seen. Nearly a century later, the Westerville Lions Club still raises money for sight.

Give online. Scan, choose an amount, done.

Every gift supports the Lions' sight projects, right here in central Ohio.

Gifts are received by the Westerville Lions Club Foundation, a 501(c)(3) nonprofit, and are tax-deductible as allowed by law. EIN 32-0467239.
